We are looking forward to an arena full of scarecrows. They will need to be on a secure frame as we may need to hang or mount the scarecrows in bales of straw around the board of the arena.

To enter the competition, register at the fair office in the community centre first and then take your scarecrow to the arena on Monday evening (September 10, 2018). For inquiries about this class call Beth Schlueter 519.656.2731 or email bluebird@cyg.net or Mary Lichty-Neeb 519.504.6761 or email mlichty@execulink.com. There will be volunteers in the arena to help you with your scarecrow. You will need to fill out an entry form and tag so that winners will receive their prize money.
